

WABE International School Secondary School Questionnaire

Please complete the following questionnaire and submit this to the front desk at school. Please complete the following form truthfully and candidly. We highly value a diversity of interests, personalities, and skills, and there is no single “ideal candidate” for our school.

1. What was the most interesting thing that you learned last year?

2. What is your favorite subject or topic to learn about outside of school? Why?

3. What is your favorite subject or topic learn about at school? Why?

4. Have you ever built or designed something? If so, please describe your experience of the project.

5. Do you like to read? If so, what are your favorite things to read and why?

6. What is your most difficult subject at school? Why do you think that this is an area of difficulty for you?

7. How do you approach resolving your struggles in this difficult subject area? Can you provide an example?

8. Have you worked on a project with a group of classmates or friends before? What was that experience like?

9. Describe an ideal school. What do you do during the day? What do you learn about?

10. What major issue, conflict, or problem has captured your attention recently? What is one way you might *start* to solve or address it?

11. Do you want to attend WABE International School? What are some of the main reasons you are applying to our school?
