

Secondary German Teacher

Start Date: August 1, 2023

About the Position

ISC is looking for a German language teacher with experience in teaching Secondary (Grades 5-10). This is a full-time classroom position. The curriculum taught is primarily based on the programme from the German state of Schleswig-Holstein. This teacher will also be asked to teach interdisciplinary project-based learning courses during the afternoon program as needed.

About Our School

At WABE International School, we are an international, diverse, and inclusive community. We pursue the discovery of the World, Self, and Others through progressive pedagogy with the goal of empowering our students to unfold their true talents and potential as compassionate human beings. We place equal emphasis on Social-Emotional Learning and 21st Century Skill development, and we are building a pedagogical approach that provides ample room for teacher autonomy and innovation. As a young school finishing its 7th year, teachers have a unique opportunity to join our team at a point where many of the most difficult start-up challenges have been solved, yet myriad opportunities remain for their own authorship of our program.

What We Look For

At WIS, we've set out to build a school where creativity thrives in a diverse and responsive environment. We believe that planning, communication, and flexibility are vital for our success, and we value teachers who bring experience in these skills to the table. Our teachers identify with and adhere to the WIS Spirit: Teach Your Heart Out, Never Stop Learning, All Hands on Deck, and Lead with Love.
